## Wolf Creek National Fish Hatchery Workshop Series

*Wolf Creek National Fish Hatchery is proud to sponsor educational workshops that help our community learn more about our incredible natural heritage. For information on other programs at the hatchery, or how you can be involved as a volunteer, please contact us!*

**WHAT:** **Clean Air for Kentucky Curriculum Workshop**  
Join Elizabeth Robb-Schmitz (Environmental Education Specialist, Kentucky Division for Air Quality) for a fun day of environmental education learning as she presents a new curriculum program centered on the importance of clean air, including ways to help clean up the air and keep it clean! This class is open to anyone looking to gain experience in the area of environmental education and will prove to be a great day for both formal and non-formal educators. So whether you are a teacher, 4-H leader, Boy/Girl Scout volunteer, etc., this event is sure to be a great way to learn more about ways to teach your youth about the importance of clean air! Age level for the materials is geared towards 4<sup>th</sup> through 12<sup>th</sup> but those who work with other age levels are also welcome.
