# It's Springtime at Equus Run Vineyards!

## *Springtime in a Bottle Celebration*

**Saturday, April 26, 12-5pm**

### **Come to our pre-Derby celebration with the animals!**

Join us for a celebration of spring in the Bluegrass. What better time to taste our Commemorative Wines of the Kentucky Derby #134 and Churchill Downs, and stock up for your own Derby Party? We'll also be visiting with adorable, adoptable animals from the Woodford Humane Society and the Kentucky Equine Rescue Center. Enjoy the smooth sounds of Midway Soul from 1-4 pm.

Your ticket also includes a tasting of 6 of our wines, including all 3 of our 2008 Derby wines. Wine will be available for purchase by the glass or bottle. You must be 21 years of age to taste or purchase wine

***THIS IS A BRING-YOUR-OWN-PICNIC EVENT.*** Light fare will be available for purchase.

**Admission is \$5 per person**, payable at the door. No reservations are required.

And while we're talking Derby contestants - we have *winners!* Our Derby Chardonnay won a **gold** medal in the 2008 Derby Festival Wine Competition, and our Bluegrass Blush won a bronze. Twelve wineries from Kentucky & Indiana competed, with 77 different wines submitted for judging.

The Derby #134 etched Cabernet Sauvignon bottles are in! This limited-edition collector's item features our award-winning Cabernet Sauvignon in exclusive black bottles with the label design etched into the glass, and hand-painted in red and gold. Each bottle is individually numbered, and only 134 bottles were produced this year. These unique bottles will sell out very quickly at \$80 each, so please call to reserve yours early.
